President's Note

Dear Redhawk Families,

I would like to give a huge thanks to our V.Ps. of Homeroom Activities, Britt Davis and Kim Jowers for their time and effort in preparing, planning and running the Holiday Party. After walking around the school that day it was clear our Redhawks were having a nice celebration and enjoying their books from the book swap. Thank you also to the volunteers that came that day to help set-up and to those that donated a book for our "Book Swap"

The PTO has made two new purchases that we are very excited to report.

- The myOn Reader Subscription has been purchased. Please look for your log-in information in your child's backpack
- New Easels for all 2nd grade and Pre-K teachers. These easels will help the teachers with presenting new material and keeping their work stations organized.

A Special Visit from Toro

Toro Takes the Bull out of Bullying, presented by Houston Texans and National Oilwell Varco will be visiting Rennell February 6th to talk to the students on how to remove bullying from our school.

With the help of Toro and a few of his friends, students will learn how to recognize different types of bullying and what to do to prevent bullying from happening in our school. Toro will interact with Texans Players via interactive video to help students learn important lessons on this topic.
